

## CASE STUDY

# Empowering Der Küchen Laden with E-Commerce Solutions

## COMPANY SNAPSHOT

Industry: Retail

Der Küchen Laden, located along the historic main street of Fredericksburg, Texas, is a 3,500 square foot retail shop offering an extensive collection of cookware, kitchen gadgets, and unique culinary finds. The business thrived until the pandemic forced it to close for two months.

## THE CHALLENGE

Like many businesses, Der Küchen Laden faced an uncertain future due to the global pandemic. The need to quickly adapt the business model to continue operations became urgent. Recognizing the need for an online presence, Der Küchen Laden reached out to Weaver Technologies for an assessment of its current infrastructure and to discuss options for building an e-commerce website.

Weaver Technologies

## WHY WEAVER?

Weaver Technologies is committed to understanding each client's unique challenges and delivering tailored solutions that meet their specific needs. Our dedication to client success, combined with our expertise in advanced technologies, ensures that we provide effective, scalable, and secure IT solutions.

## THE RIGHT IT SOLUTION

Der Küchen Laden faced a significant challenge with an outdated point-of-sale (POS) system, which was not suitable for an online business. Weaver Technologies stepped in to navigate the options and select the right solution. After reviewing five different POS systems, we built a tech solution that met the needs for budget, functionality, bandwidth, availability, and security.

## THE RIGHT TIME: EXECUTION

Weaver Technologies meticulously planned and executed the project:

- **Assessment:** Evaluated Der Küchen Laden's existing infrastructure and identified critical needs.
- **Solution:** Selected and implemented a new POS system that supported online sales.
- **Support:** Provided training for staff and assisted with coding and uploading an inventory of over 16,000 items.
